1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

This will cause a hardship on alot of people. My Mother and Mother in law are both widows on fixed income. I see a lot of senior having trouble just buying food and medicine. There is no way they can afford 17 per cent increase. People on social security have not had a cost of living increase in two years. This is wrong of Duke Energy! With 400 million profit for 2 quarter. I am a customer of Duke.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

With this increase people on fixed income will have to decide wether to eat, medicine, or power. People can not live without the above, as I know I see it with my parents and inlaws.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
(This section should be completed.)

No. I can't attend a meeting.
